CORE COMPETENCIES

- Legal workflow analysis & process mapping
- Stakeholder management & C-level communication
- Workshop facilitation & user onboarding
- AI output evaluation & prompt refinement
- Legal compliance & regulatory governance
- Cross-functional team collaboration

KEY ACHIEVEMENTS

Risk-based structured decision-making
Led structured analysis of large case datasets to improve prioritization, documentation accuracy, and risk evaluation in regulated environments.

Legal Compliance Optimization
Improved legal compliance processes by coordinating with public institutions, achieving regulatory adherence, while supporting judicial processes focused on human rights.

Judicial Evaluation
Achieve national top scores in judicial selection exams.

PROFESSIONAL SUMMARY

Legal professional and emerging tech specialist with 10+ years of experience in structured legal analysis, risk-based decision-making, and stakeholder coordination within highly regulated environments.
Currently transitioning into legal technology, combining deep legal expertise with hands-on training in data analytics, web development, and AI tools. Complementary knowledge in cybersecurity, including Governance, Risk & Compliance (GRC), GDPR, and digital risk management, adds a critical layer for responsibly deploying AI in environments where data sensitivity and regulatory accountability are paramount.
Eager to bridge the gap between legal practitioners and AI-powered solutions, translating complex workflows into scalable, high-impact tools that deliver measurable value for law firms and legal teams.

PROFESSIONAL EXPERIENCE

Court for the Execution of Sentences and Security Measures, Legal Assistant
07/2022 – 06/2023 | Ibagué, Colombia

- Managed compliance monitoring and inter-institutional communication across a regulated judicial environment, ensuring procedural accuracy and documentation integrity
- Handled high-volume, sensitive legal documentation workflows, building expertise in quality control, traceability, and audit-readiness

Municipal Criminal Court, Judge
09/2018 – 07/2022 | Ibagué, Colombia

- Conducted structured risk analysis on complex criminal cases, applying governance principles and documented decision-making frameworks
- Managed high-volume caseload under strict procedural controls, coordinating across prosecutors, defense attorneys, public institutions, and external stakeholders with competing interests
- Authored detailed legal rulings distilling multi-source evidence into clear, compliant, and well-reasoned documentation

Judicial Branch, Legal Assistant & Administrative Roles
02/2012 – 09/2018 | Ibagué, Colombia

- Supported judicial processes focused on human rights and regulatory compliance; improved documentation workflows and contributed to the integration of digital case management systems
- Coordinated multidisciplinary teams across legal and administrative functions in a fast-paced institutional environment

ENTRY-LEVEL EXPERIENCE

Superior Court of the Judicial District, Intern
11/2011 – 02/2012 | Ibagué, Colombia

- Assisted in clerical tasks, including preparing legal documents and scheduling hearings
- Supported integration of new digital systems to optimize data handling and case management
- Coordinated multidisciplinary teams for legal and administrative processes

Legal Office and Conciliation Center, Student Office Assistant in Administrative Law
01/2011 – 06/2011 | Ibagué, Colombia

- Selected to join the university's Legal Clinic, providing free legal advice to low-income individuals
- Applied theoretical knowledge to real-life legal issues under the supervision of experienced lawyers
- Advised on law matters, contributing to the university's mission of promoting social justice

EDUCATION (LEGAL BACKGROUND)

Master of Criminal and Criminological Sciences, Universidad Externado de Colombia
2014 – 2016 | Colombia

Bachelor of Laws (LL.B.), Universidad de Ibagué
2006 – 2011 | Colombia

Research Semester in Environmental Law, Universidade de Aracruz - Espírito Santo
2011 | Brazil
